What are our Parish children

learning from us adult and teenage parishioners about how to worship and give praise to God? About the importance of singing? Listening? Responding? Being part of a Community? How do they see YOU?

Children have never been very good at listening to their elders, but they have never failed to imitate them.

It was Palm Sunday but because of a sore throat, 5-year-old Bobby stayed home from church with a baby-sitter. When the family returned home, they were carrying several palm fronds. Bobby asked them what they were for. 'People held them over Jesus' head as he walked by,' his father told him. 'Wouldn't you know it,' Bobby fumed, 'the one Sunday I don't go and he shows up.'
