**The Plenary Council of the Australian Church** *How God is calling us to be Christ-centred Church that is ...HUMBLE, HEALING and MERCIFUL.* TWO OPPORTUNITIES FOR THIS MONTH: SUNDAY 27th after 9am Mass OR Wednesday (23rd) 7pm in the meeting room. The other themes will be reflected on each month on the 4th Sunday and Wednesday at the same times mentioned above.

### **How is God calling us to be a Christ-centred Church that is Inclusive, Participatory & Synodal?**

This National Theme for Discernment is inspired by the voices of the People of God who expressed a desire for individuals and groups within and also beyond the Church to find a better welcome and be incorporated more into her life and mission. There was a call to renew forms of governance and leadership in the Church, to find ways formally and informally of being co-responsible for ministry and mission, seeking structures and processes of collaboration, shared decision-making and financial co-responsibility in order to enable this greater involvement of lay people particularly of women, young people, people of diverse cultural backgrounds and people with disabilities. There was an expressed need for stronger connections across the many parts of the Church, and with other Christian traditions.

### An Opportunity to 'Unpack' Laudato Si

One of the many marvellous things about Pope Francis' encyclical on the environment, *Laudato Si*, is that it is written in a very accessible style.

The six chapter document, clearly places before us, our integral relationship with the environment. The

Environment Committee will host an 'Unpacking of Laudato Si', with a series of meetings, each one addressing a chapter of the encyclical. We will use a document penned by Jesuit priest, Fr Thomas Reese, *A Readers' Guide to Laudato Si* to support discussion through the sessions. We encourage the Parishioners of our Future, our youth, to join the discussion, your voice is valued.

During the meeting we will enjoy something to nibble and drink. You can download a free copy of the encyclical from <https://laudatosi.com/watch> or contact the Parish Office and we will organise to have one printed for you.

### Mass songs music practice

If you would like to join parishioners who practice current and new mass songs, please join us at the church on Saturday 26<sup>th</sup> October at 10 am for approx. one hour.

You do not need to read music and will not be asked to sing solo at mass. This is a relaxed practice so people feel more confident when singing songs during mass, especially at the 7am mass where there is often no cantor.

You are most welcome to just turn up on the day, but it helps us to have enough copies of the songs if you let me know in advance. Please leave a message with Gwen: 0431 234443.

**Shalom media Australia** is a ministry committed to spreading the gospel of Jesus Christ through various media outlets, primarily through Television, Internet and Print media.

The focus in writing to you now is to seek your prayers and support for the following events in Brisbane.

**Jesus Heals:** This two-and-a-half-hour parish program is Shalom's latest offering. Many are burdened and depressed by sicknesses and ailments. Jesus Heals offers a unique opportunity to gather and seek healing of mind and body and soul. The program features preaching, Healing Mass, praise and worship, and Eucharistic Adoration. Jesus Heals will be held in five different churches by the end of this month. More information in the noticeboard.

## DO NOT FEAR for I am with you

Next weekend our parish will be holding the annual Catholic Mission Church Appeal. This year we are invited to partner with the Church in Ghana, as they provide ongoing protection and development of children who are vulnerable.

In line with traditional beliefs, in parts of Ghana, children born with a disability, or whose mother passes during childbirth, are considered to be 'spirit children', and thus at risk of being harmed or killed. The Church in Ghana is dedicated to protecting these children and educating families to ensure every child has a chance to live a full life. Next week you will learn more about Sister Stan and the Nazareth Home for God's Children, which is leading these efforts in the diocese of Yendi.

You will be offered the opportunity to personally partner with the Church in Ghana as a monthly giving partner, with all gifts specifically directed to life-saving projects for children in need – please come

**I**s God's will in your Will? Including the church in your Will teaches others about giving back to God for the blessings He has given you. With your wishes expressed in a Will, the ministries of Our Lady, Queen of Apostles Parish can be blessed. Your gift can also impact our parish in perpetuity by supporting our parish endowment fund. Contact the Catholic Foundation at 3324 3200 for more information or call the parish office.

Our commitment to these standards requires that we conduct background referencing for all persons who will engage in direct and regular involvement with children, young people and/or vulnerable adults.*

**Going over our church finances** I found a receipt from a local paint store signed by someone named Christian. I wasn't aware of anyone buying paint, so I called the store to point out its mistake. "I'm sorry," I told the manager, "but there are no Christians here at First Baptist Church."

## Pope Francis calls modern slavery '...a crime against humanity.'

Modern slavery exists in Australia in different forms:

- Workers from developing countries are brought into Australia by traffickers using force, fraud or coercion in order to exploit them;
- Girls and young women are being forced to marry;
- People, including children, in developing countries are working for little money, or are enslaved, to produce goods we use every day.

ACRATH\* works with the community and government, and health, education and civic leaders to bring about systemic change and prevent human trafficking and slavery.

ACRATH calendars bring this daunting issue to life with up to date stories of people and initiatives. Funds raised from the sale of the calendars enable

ACRATH to coordinate the work of many volunteers in this education and advocacy work. Also, a percentage of the funds is donated to a ministry directly involved in anti-trafficking work in South East Asia.

**The parish social justice group will have ACRATH calendars available for sale at all Masses on 26-27 October**

**Cost: \$10.\*** *Australian Catholic Religious Against Trafficking in Humans*

*"...proclaim the word, be persistent whether it is convenient or inconvenient..." (2 Timothy 4:2)*

*It is not always convenient to be a good steward, especially when all the temptations of our busy and materialistic world get in the way. Now add our own pride and ego into the equation and living a stewardship lifestyle may be downright uncomfortable! Remember, God didn't call us to be comfortable. He called us to be faithful.*
