Our Lady Queen of Apostles Parish, Stafford

A Parish of the Brisbane North West Deanery Vision: "To follow the example of Jesus by serving others.

he Parish Council discussed the issue of reducing the number of Weekend Masses. The issues considered are in previous newsletters including the one of 25th December. Some Positive Consequences mentioned were:

- A. Our limited roster of Instrumentalists and Vocalists will not have to "double-up" on extra Masses so often — we have few volunteers joining these.
- B. More people at any one of the remaining masses, hopefully will foster a better spirit and encourage better singing and responding (some thing essential to make Mass more "attractive" to Adults and especially children—and help faith grow.)

If the statement from 'Music in Catholic Worship' is true, we cannot NOT try to improve our celebrations-(para 6: Faith grows when it is well expressed in celebration. Good celebrations foster and nourish faith. Poor celebrations weaken and destroy faith.") This is the responsibility of EVERYONE.

OUR VOTE IS NEXT WEEKEND!! (8th/9th Feb)

- For those AT MASS ONLY: If you are a regular but CANNOT attend this weekend, please contact Fr Denis/Parish with your preferences.
 - **People vote for** 1) Their **MOST** PREFERRED Mass Time AND 2) Their SECOND MOST PRE-FERRED Mass Time.
- 10th-12th Feb: Votes are counted (1 point for every "Most Preferred" and then 1 point is added for every "Second Most Preferred")
- Weekend 15th/16th Feb: Results are posted in the Newsletter including notice of which Mass time is least preferred and will be discontinued.
 - **Note:** If two or more Mass times are within 10% of the number of points for each other, then issues such as the quality of congregational singing and responding, the number of Readers, Special Ministers etc who are available for rostering, participation in post-mass cuppas, the sense of "belonging" etc will determine the result.
- Weekend Feb 22nd/23rd: The last weekend for the Mass time which will be discontinued.

e have over **34 cultures** in our parish— I would LOVE each of our parish groups and ministries at Mass to reflect this. If you are from the Pacific Islands, the Philippines, other South-East Asian Countries, India, or Africa, I especially invite you, as a member of our Parish, not to be shy-you are a gift to us, please share that gift. - (Ring the office or talk to,

or email Fr Denis*

he Little Kings Movement for the Handicapped annual church appeal falls THIS weekend (1st/2nd February) as you leave Mass. The Movement caters for people with disabilities in social and spiritual activities. There is no Government funding and the Movement is staffed by volunteers. Each year the calls for their services are increasing. The Movement, though based on Catholic beliefs is truly ecumenical, and all members are welcomed and respected for their own beliefs.

) e Opened, A journey to new life - Lenten Program for 2020 - begins in a few weeks! The books have arrived! The cost of the program this year is \$7.

For those who have reserved a copy, you can collect and pay for the books at the 'Shop'. For anyone else, you can pick up a copy from the 'shop'.

Traditionally the Lenten program was designed to be done in a group setting. If you are gathering as a group, can you please let me know as I usually have a couple of enquiries about groups that are available for others to join.

There are some new features in the latest Lenten Program including an extra week - it now covers six weeks of Lent and Easter Sunday! There is also an app for those unable to join a group. This can be used on various devices and will be available from January 2020 through Apple App Store and Google Play Store.

In 2020, there is a strong link between Be Opened and the Plenary Council journey - providing parishes and communities a great focus/reflection opportunity during the period after the Discernment phase. Be Opened...a journey to new life in many respects reflects the plenary council journey and process.

7 innies is part of the toolbox in fire response

National President of the St Vincent de Paul Society Claire Victory said today that the needs of people affected by the bushfire crisis are front of mind for the many volunteers and staff at Vinnies engaged in recovery efforts. Ms Victory said the Society is responding in all affected states and territories through local Vinnies conferences in many communities in affected areas. The Society is responding through its network of local conferences and support services as the crisis develops. 'We understand there are many, many organisations engaged in the immediate emergency response. The Society is doing what it can, working with these organisations to meet the needs in local communities. 'Once the smoke has literally settled, and the extent of the devastation dawns on individuals, families and whole communities, the Society will be there to help with the recovery process as people begin to rebuild their lives. We are present, at the service of those communities, providing personal and practical support and referral to professional services. Vinnies is part of an integrated, whole-of-community response the government can call upon now, and in the weeks and months ahead. 'We are working with other lead agencies to accompany people whose lives have been devastated by the fires. 'Right now, cash is needed. People can donate by visiting the Vinnies website or through our shops. 'Cash is the most useful contribution at this point in time. We do not have the capacity to sort and store additional furniture, clothing or other items in the affected areas right now, and we want to be able to support those people needing our help in the best way that meets their individual needs. We will be part of a major, targeted fundraising effort on the January long weekend and will provide further details closer to the date,' Ms Victory said. The St Vincent de Paul Society in Australia consists of 60,000 members and volunteers who operate on the ground through over 1,000 conferences located in individual parishes across the country.

Care for Our Common World • Living Laudato Si - Think Globally, Act Locally

The earth is essentially a shared inheritance, whose fruits are meant to benefit everyone (Pope Francis, Laudato Si, Chapter 2). We are called to learn, to understand, to reflect and to act upon the wisdoms of Pope Francis as he challenges all people of good will to make an 'ecological conversion'.

You are invited to share in a community forum, to look at the message within Laudato Si, engage with guest speakers from government, non-government and Christian organisations, exchange ideas and grow in knowledge, so that we are better equipped to care for our Common Home.

- Date: Saturday 15 February (9am-1.45pm)
 - Venue: Our Lady Queen of Apostles, 70 Appleby Rd, Stafford

"...they took him up to Jerusalem to present him to the Lord..." (Luke 2:22)

How seriously do you take being a Catholic? Is

"being Catholic" something I just do when I attend Sunday Mass or attend one of my parish functions? It's easy to be Catholic then, it's harder to be Catholic when I am out in the world. Would someone recognize you as a Catholic by the way you act, dress, and talk? How do you present yourself to the Lord and to others?

Vinnie's S.O.S !!! Did you receive any unwanted toiletries this Christmas? It can be for both men & women. Vinnies can solve your problem. Just donate to Vinnies so we can make up Pamper Packs for our people in need. A kind of belated gift for them. Many thanks for your support from your Stafford Vinnies Conference.

afeguarding News from the archdiocese --

Many of you have hold Blue cards for your volunteer roles in the parish. Blue cards have an expiry date and you are contacted for renewal of your Bluecard as they near their expiry dates. The police check also needs to be reviewed each three years. I will be contacting parishioners about redoing the police checks as they come up for renewal. For most of you, this can be completed online and without bringing in any paperwork to the parish office for signing! If you have any questions about this please give me a call in the office. Debra **L** eave Your Legacy. Are you wondering how you can make a lasting gift to Our Lady, Queen of Apostles Parish? Naming the parish in your Will, after taking care of your loved ones, can make a meaningful and profound gift to our parish. Gifts can be made to the parish or designated to our perpetual endowment fund. By learning more about these and many other giving options, you can create a legacy of giving to your parish community. To learn more please contact the Catholic Foundation at 3324 3200 or call the parish office.
