When the Song of the Angels is Stilled

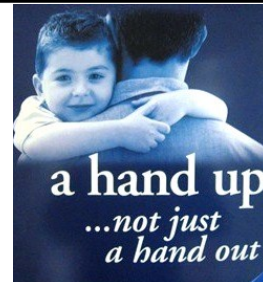

(by Howard Thurman)

When the Song of the Angels is Stilled,
when the star in the sky is gone,
when the kings and the princes are home,
when the shepherds are back with their flocks,
the work of Christmas begins:

To find the lost,
To heal the broken,
To feed the hungry,
To release the prisoner,
To rebuild the nations,
To bring peace among people,
To make music in the heart.

Stafford St Vinnie's REPORT for this year: Some of the things mentioned at Mass last weekend:

- This year, we have been able to assist :
383 families in need, including
- a total of 672 children.

With the help of your generous donations ... we have been able to **provide \$44,000 in financial aid**, in the form of Food Vouchers, Fuel cards and clothing vouchers.

During this Christmas season, we are conducting our Annual Appeal. Please take an **Appeal envelope from the back of the Church** ...and you will be able to donate to our Appeal by returning the envelope at any Mass until Christmas. There is information on the envelope about different ways you can donate. **Donations for our Annual Food Appeal finish THIS WEEKEND (11/12th)**

Blue Card changes for various ministries!

There were many ministries that fell into the category of needing a Blue Card. This was reviewed several months ago and it was welcome news to many in parish offices and for Local Safeguarding Representatives.

Only those ministries that work closely with children eg children's Liturgy of the Word, children's Sacramental Program and altar servers trainers now require a Blue Card.

Anyone that visits residents in aged care facilities will need a police check every three years. As these fall due, you will be contacted to renew the police check.

Thank you all for complying with the ever changing policies and procedures.

Carers, we're here for you

If you provide support for a loved one (*it doesn't matter how old you are or your relationship*) **there is help for you.**

Our Parish laments the loss of so many of our community.

We have 'lost' 48% of our "mass-goers" since the start of COVID. However it's just not about numbers even though those people are important to us. What are the **FOUR PILLARS FOR A HEALTHY PARISH?**

- 1) **WORD**—Listening to God's Word and living it
- 2) **WORSHIP** — Celebrating the Sacraments (especially Eucharist) together.
- 3) **COMMUNITY** — Being with other people in our Parish Community—(Jesus: "May they be one....")
- 4) **WITNESS/SERVICE** — Meeting Christ together in hungry, thirsty, victims of violence and injustice etc

ALL these take place at our **celebration of Mass** and this celebration is at the **heart of being 'missional'**, being servants. As our parish vision states: "To follow the example of Jesus by serving others."

Jesus says to us: "you will receive power when the holy Spirit comes upon you, and you will be my witnesses ... to the ends of the earth."

"Have no anxiety at all, but in everything, by prayer and petition, with thanksgiving, make your requests known to God." (PHILIPPIANS 4:6)

St. Paul reminds us that God is an abundant God – He is the ultimate giver of gifts. He promises to give us all that we need. Remember, that we are created in God's image and likeness. We, too, are made to be generous with all of our gifts as well. Placing our trust in God frees us from being a slave to possessions. It allows us to gratefully and generously share ourselves and our goods with others.

Simbang Gabi begins here on Wednesday evening. All welcome.

St Veronica Welfare Committee's 2021 Christmas Gift Cards

Looking for a unique and truly special Christmas gift for your family and friends? This year, St Veronica Welfare Committee is offering three affordable and life-changing Christmas Gift Cards!

Located in West End, Brisbane, St Veronica Welfare Committee and Thrift Shop is a unique charity run entirely by unpaid volunteers, meaning the total amount of Christmas Gift Card funds is forwarded to the intended beneficiaries. Administrative expenses such as bank transfer costs, postage etc. are covered by our Thrift Shop sales and any additional profit is used to support special projects for education, health, water, women's self-help and employment groups in India, Sri Lanka, Timor-Leste, Papua New Guinea, Cambodia and, since 2018, Ethiopia!

\$10 Chickens: this gift will be used to help purchase chickens for poor families in Sire, Nekemte, Ethiopia. Surplus eggs from each family's chickens will also be donated to the Bethany Fathers' feeding program, which provides meals for poor and malnourished children in the community.

\$20 Blankets: this gift will be used to purchase blankets and linen for victims of domestic violence in Siri Nidhan, Sri Lanka. In 2019, St Veronica's Welfare Committee helped raise funds to construct a temporary safe house (pictured above) in the Puttlam District, with the aim of providing a place of refuge for those escaping domestic violence. Construction is almost complete, with the remaining fit outs and furnishing work being carried out in late 2021. The blankets and linen will provide a warm and comforting welcome for the vulnerable women and children arriving at the safe house.

\$30 Computers: this gift will assist with the purchase of classroom computers and projectors for St Mary's Convent School in Mariapuram, India. The school is working to meet a government requirement that insists every classroom include a computer and projector. While government schools are provided with these items, independent schools such as St Mary's Convent School must find their own means of purchasing technical equipment, despite limited funds.

Gift cards can be purchased online at www.stveronica.org.au; email admin@stveronica.org.au; phone (07) 3844 7423; or at our Thrift Shop located at 89 Hardgrave Rd, West End. Donations over \$2.00 are tax deductible and receipts are issued.

Christmas Eve 8pm will be followed by supper, as we have done in the past—pre COVID. We are now allowed to bring and share home baked goodies, so consider making an extra batch of your best Christmas treats for Christmas Eve Supper.

We would like to see a few more of you offering to do the COVID SAFE Food handling course, so this doesn't fall to the same faces for each time we want to gather together for fun and frivolity and food and maybe wine!

- ♦ The link for the course is below.
- ♦ The course is free
- ♦ The course takes around 20-30 minutes

Please consider doing this next time you hear the rain and can't do the washing or mowing! Donate 20 minutes to doing the course. We'd love to see more people sharing the hospitality ministry. We have rooms in our church named after Mary and Martha. We need more Mary and Martha's, I'm also looking for Mario's, Martin's and I'm looking for

YOU! <https://covidsafework.tafeqld.edu.au/course/126/covid-safe-work-training-for-dining-in>

Thank you to those that have taken the time to do the course in recent weeks. It is much appreciated.

Give a gift with global impact

A Global Gift is a unique gift - **it can change lives!**

Choose from beautiful artworks created by children from Bangladesh, Vietnam and the Philippines, who have poured their hearts into bringing the spirit of Christmas to you.

Your donation will bring joy and hope around the world to those experiencing poverty and injustice including children whose artworks are featured.

Maria is a young mother living in a small village in northern Tanzania; a region affected by long-term food and water insecurity.

For years, Maria struggled to earn an income and provide enough food to feed her family. Unable to read, write or count, her opportunities to make a living were limited. Her small farm often produced poor harvests due to water scar-

city, and Maria was forced to travel long distances to collect water.

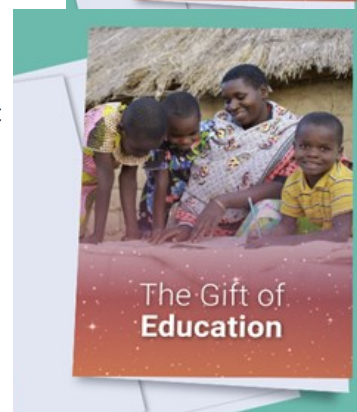

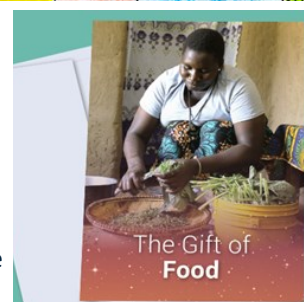

Thanks to the generosity of people like you, Maria was able to join the A+ program and participate in training about sustainable farming, literacy and numeracy, gender awareness, hygiene and sanitation.

With her newfound knowledge and skills, Maria is now able to produce enough food to feed her family, earn a sustainable income, and has even become a leader in her community.

When you support a mother like Maria, it has the power to not only uplift her family, but her entire community. This Christmas, give the gift that keeps on giving for generations to come.
